Hi Ina and Robert,

We priced the Ziva in Montego Bay Jamaica. All of the confirmations are **attached**. A few things to note:

- Zachary is added for the full stay but I know that will change once you know.
- Two of the rooms have Delta frequent flyer numbers attached. If the other 2 rooms get FF #'s, I can reduce the cost by approx. \$300 per room
- This whole booking will be cancel tomorrow and I'll have to start again because the air is published and they don't let us hold it past 24 hrs.

If you can tell your kids about this option and see if you all like it, I can make the change. The new total would be \$36,259.80 which is only 5K more than the initial booking. Also keep in mind that some of the kids are older now than when we priced this 2 years ago and you are paying more now. I believe someone will be 17 which is now an adult price. All of this is part of the reason for the higher pricing.

Let me know what you think of this option.

By the way, they would not let me hold this past Sunday and obviously that is too short for you all to decide so when you are ready, I will have to price it all over again because the air can always change. Forgot to mention that. THX!

Transportation of Hazardous Materials

1) Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). For further information contact your airline representative or visit delta.com Restricted Items section.

Notice of Incorporated Terms

Air transportation on Delta and Delta Connection carriers is subject to Delta's conditions of carriage. Air transportation is subject to the individual contract terms (including rules, regulations, tariffs and conditions) of transporting air carriers, which are incorporated by reference into every ticket for travel and made part of the Contract of Carriage. Incorporated terms may include, but are not restricted to: (1) Limits on liability for personal injury or death. (2) Limits on liability for baggage, including fragile or perishable goods and availability of excess valuation coverage. (3) Claims restrictions, including time periods in which passengers must file a claim or bring action against the carrier. (4) Rights of the air carrier to change terms of the contract. (5) Rules on reconfirmation of reservations, check-in times, refusal to carry, and smoking. (6) Rights of the air carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of alternate air carriers or aircraft, and rerouting. (7) Fare rules, including without limitation penalties for changing itinerary or cancellation of your journey on some restricted fares. (8) Overbooking. If we deny you boarding due to an oversale, with few exceptions, we compensate you. (9) Delta reserves the right to refuse carriage to any person who is not able to produce positive identification. (10) You can obtain additional information on items above at any U.S. location where the transporting air carrier's tickets are sold. You have the right to inspect the full text of each transporting air carrier's rules at its airport and city ticket offices. You also have the right, upon request, to receive free of charge the full text of the applicable terms incorporated by reference from each of the transporting air carriers. Information on ordering the full text of each carrier's terms is available at any U.S. location where the air carrier's tickets are sold.

Conditions of Contract

- As used in this contract, "ticket" means this passenger ticket and baggage check, of which these conditions and the notices form part, "carriage" is equivalent to "transportation", "carrier" means all air carriers that carry or undertake to carry the passenger or his or her baggage hereunder or perform any other service incidental to such air carriage. "Warsaw Convention" means the Convention for the Unification of Certain Rules Relating to International Carriage by Air signed at Warsaw, 12th October 1929, or that Convention as amended at The Hague, 28th September 1955, whichever may be applicable.
- Carriage hereunder is subject to the rules and limitations relating to liability established by the Warsaw Convention unless such carriage is not "International Carriage" as defined by that Convention.
- To the extent not to conflict with the foregoing, carriage and other services performed by each carrier are subject to: (i) provisions contained in this ticket, (ii) applicable tariffs, (iii) carrier's conditions of carriage and related regulations which are made part hereof (and are available on application at the offices of the carrier), except in transportation between a place in the United States or Canada and any place outside thereof to which tariffs in force in those countries apply.
- Carrier's name may be abbreviated in the ticket, the full name and its abbreviation being set forth in carrier's tariffs, conditions of carriage, regulations or timetables; carrier's address shall be the airport of departure shown opposite the first abbreviation of the carrier's name in the ticket; the agreed stopping places set forth on the passenger's route; carriage to be performed hereunder by several successive carriers is regarded as a single operation.
- An air carrier issuing a ticket for carriage over the lines of another air carrier does so only as its agent.
- Any exclusion of limitation of liability of a carrier shall apply to and be for the benefit of agents, servants, and representatives of carrier and any person whose aircraft is used by carrier for carriage and its agents, servants and representatives.
- Checked baggage will be delivered to bearer of the baggage check. In case of damage to baggage moving in international transportation, complaint must be made in writing to carrier immediately after discovery of damage and, at the latest, 7 days from receipt; in case of delay, complaint must be made within 21 days from date baggage was delivered. See tariffs or conditions of carriage regarding non-international transportation.
- This ticket is good for carriage for one year from date of issue, except as otherwise provided in this ticket, in carrier's tariffs, conditions of carriage, or related regulations. The fare for carriage hereunder is subject to change prior to commencement of carriage. Carrier may refuse transportation if the applicable fare has not been paid.
- Carrier undertakes to use its best efforts to carry the passenger and baggage with reasonable dispatch. Times shown in timetable or elsewhere are not guaranteed and form no part of this contract. Carrier may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket in case of necessity. Schedules are subject to change without notice. Carrier assumes no responsibility for making connections.
- Passenger shall comply with Government travel requirements, present exit, entry and other required documents and arrive at airport by time fixed by carrier or, if no time is fixed, early enough to complete departure procedures.
- No agent, servant or representative of carrier has authority to alter, modify or waive any provision of this contract.

Advice to International Passengers on Limitation of Liability

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. The names of carriers party to such special contracts are available at all ticket offices of such carriers and may be examined upon request.

Notice of Baggage Liability Limitation

(1) For most international travel (including domestic portions of international journeys): Liability for loss, delay, or damage to baggage is limited to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage unless a higher value is declared in advance and additional charges are paid. Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier. Liability is for a maximum of 70 lbs. (\$640.00) per checked bag. The limit may be lowered for additional pieces to certain destinations or when using connecting carriers. Damaged baggage must be reported within seven days. Note: Rules governing limitations on Delta's liability for lost, damaged, or delayed baggage, and your responsibilities for timely notification in the event of lost, damaged, or delayed baggage vary depending upon the nature of your travel. Contact a Delta agent for details: (2) For domestic travel (Travel wholly within the 50 United States, Puerto Rico, and the U.S. Virgin Islands): Liability is limited to \$3,300 per ticketed passenger unless a higher value (for checked baggage) is declared in advance and additional charges are paid. Excess valuation may not be declared on certain types of articles. No liability for electronic equipment, photographic equipment, jewelry, cash, computer equipment, or other similar valuable items. Damaged baggage must be reported within 24 hours.

2. Carriage hereunder is subject to the rules and limitations relating to liability established by the Warsaw Convention unless such carriage is not "International Carriage" as defined by that Convention.
3. To the extent not in conflict with the foregoing, carriage and other services performed by each carrier are subject to: (i) provisions contained in this ticket, (ii) applicable tariffs, (iii) carrier's conditions of carriage and related regulations which are made part hereof (and are available on application at the offices of the carrier), except in transportation between a place in the United States or Canada and any place outside thereof to which tariffs in force in those countries apply.

Advice to International Passengers on Limitation of Liability

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. The names of carriers party to such special contracts are available at all ticket offices of such carriers and may be examined upon request.

Notice of Baggage Liability Limitation

(1) For most international travel (including domestic portions of international journeys): Liability for loss, delay, or damage to baggage is limited to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage unless a higher value is declared in advance and additional charges are paid. Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier. Liability is for a maximum of 70 lbs. (\$640.00) per checked bag. The limit may be lowered for additional pieces to certain destinations or when using connecting carriers. Damaged baggage must be reported within seven days. Note: Rules governing limitations on Delta's liability for lost, damaged, or delayed baggage, and your responsibilities for timely notification in the event of loss, damaged, or delayed baggage vary depending upon the nature of your travel. Contact a Delta agent for details. (2) For domestic travel (Travel wholly within the 50 United States, Puerto Rico, and the U.S. Virgin Islands): Liability is limited to \$3,300 per ticketed passenger unless a higher value (for checked baggage) is declared in advance and additional charges are paid. Excess valuation may not be declared on certain types of articles. No liability for electronic equipment, photographic equipment, jewelry, cash, computer equipment, or other similar valuable items. Damaged baggage must be reported within 24 hours.

The Following Must Be Read By All Parties Listed on This Itinerary Prior to Departure

Transportation of Hazardous Materials

(1) Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. Examples: Paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. (2) There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information contact your airline representative or visit delta.com Restricted Items section.

Notice of Incorporated Terms

Air transportation on Delta and Delta Connection carriers is subject to Delta's conditions of carriage. Air transportation is subject to the individual contract terms (including rules, regulations, tariffs and conditions) of transporting air carriers, which are incorporated by reference into every ticket for travel and made part of the Contract of Carriage. Incorporated terms may include, but are not restricted to: (1) Limits on liability for personal injury or death. (2) Limits on liability for baggage, including fragile or perishable goods and availability of excess valuation coverage. (3) Claims restrictions, including time periods in which passengers must file a claim or bring action against the carrier. (4) Rights of the air carrier to change terms of the contract. (5) Rules on reconfirmation or reservations, check-in times, refusal to carry, and smoking. (6) Rights of the air carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of alternate air carriers or aircraft, and rebooking. (7) Fare rules, including without limitation penalties for changing itinerary or cancellation of your journey on some restricted fares. (8) Overbooking. If we deny you boarding due to an oversale, with few exceptions, we compensate you. (9) Delta reserves the right to refuse carriage to any person who is not able to produce positive identification. (10) You can obtain additional information on items above at any U.S. location where the transporting air carrier's tickets are sold. You have the right to inspect the full text of each transporting air carrier's rules at its airport and city ticket offices. You also have the right, upon request, to receive free of charge the full text of the applicable terms incorporated by reference from each of the transporting air carriers. Information on ordering the full text of each carrier's terms is available at any U.S. location where the air carrier's tickets are sold.

Conditions of Contract

- As used in this contract, "ticket" means this passenger ticket and baggage check, of which these conditions and the notices form part. "carriage" is equivalent to "transportation", "carrier" means all air carriers that carry or undertake to carry the passenger or his or her baggage hereunder or perform any other service incidental to such air carriage. "Warsaw Convention" means the Convention for the Unification of Certain Rules Relating to International Carriage by Air signed at Warsaw, 12th October 1929, or that Convention as amended at The Hague, 28th September 1955, whichever may be applicable.
- Carriage hereunder is subject to the rules and limitations relating to liability established by the Warsaw Convention unless such carriage is not "International Carriage" as defined by that Convention.
- To the extent not to conflict with the foregoing, carriage and other services performed by each carrier are subject to: (i) provisions contained in this ticket, (ii) applicable regulations which are made part hereof (and are available on application at the offices of the carrier), except in transportation between a place in the United States or Canada and any place outside thereof to which tariffs in force in those countries apply.
- Carrier's name may be abbreviated in the ticket, the full name and its abbreviation being set forth in carrier's tariffs, conditions of carriage, regulations or timetables; carrier's address shall be the airport of departure shown opposite the first abbreviation of the carrier's name in the ticket; the agreed stopping places set forth on the passenger's route; carriage to be performed hereunder by several successive carriers is regarded as a single operation.
- An air carrier issuing a ticket for carriage over the lines of another air carrier does so only as its agent.
- Any exclusion or limitation of liability of a carrier shall apply to and be for the benefit of agents, servants, and representatives of carrier and any person whose aircraft is used by carrier for carriage and its agents, servants and representatives.
- Checked baggage will be delivered to bearer or the baggage check. In case of damage to baggage moving in international transportation, complaint must be made in writing to carrier immediately after discovery of damage and, at the latest, 7 days from receipt; in case of delay, complaint must be made within 21 days from date baggage was delivered. See tariffs or conditions of carriage regarding non-international transportation.
- This ticket is good for carriage for one year from date of issue, except as otherwise provided in this ticket, in carrier's tariffs, conditions of carriage, or related regulations. The fare for carriage hereunder is subject to change prior to commencement of carriage. Carrier may refuse transportation if the applicable fare has not been paid.
- Carrier undertakes to use its best efforts to carry the passenger and baggage with reasonable dispatch. Times shown in timetable or elsewhere are not guaranteed and form no part of this contract. Carrier may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket in case of necessity. Schedules are subject to change without notice. Carrier assumes no responsibility for making connections.
- Passenger shall comply with Government travel requirements, present exit, entry and other required documents and arrive at airport by time fixed by carrier or, if no time is fixed, early enough to complete departure procedures.
- No agent, servant or representative of carrier has authority to alter, modify or waive any provision of this contract.

Advice to International Passengers on Limitation of Liability

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country, for such passengers. The treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. The names of carriers party to such special contracts are available at all ticket offices of such carriers and may be examined upon request.

Notice of Baggage Liability Limitation

(1) For most international travel (including domestic portions of international journeys): Liability for loss, delay, or damage to baggage is limited to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage unless a higher value is declared in advance and additional charges are paid. Excess valuation may be obtained from the carrier. Liability is for a maximum of 70 lbs. (\$640.00) per checked bag. The limit may be lowered for additional pieces to certain destinations or when using connecting carriers. Damaged baggage must be reported within seven days. Note: Rules governing limitations on Delta's liability for lost, damaged, or delayed baggage, and your responsibilities for timely notification in the event of loss, damaged, or delayed baggage vary depending upon the nature of your travel. Contact a Delta agent for details. (2) For domestic travel (Travel wholly within the 50 United States, Puerto Rico, and the U.S. Virgin Islands): Liability is limited to \$3,300 per ticketed passenger unless a higher value (for checked baggage) is declared in advance and additional charges are paid. Excess valuation may not be declared on certain types of articles. No liability for electronic equipment, photographic equipment, jewelry, cash, computer equipment, or other similar valuable items. Damaged baggage must be reported within 24 hours.

Airfare
Tickets

Good Morning Mr. Kaplan,

728301 points would be equal to a credit of \$7283.01 to apply towards the tickets.

The cost of the tickets is \$9804.42

This would leave a balance of \$2521.41. Of course if you use points for something else or accrue new points before we ticket, this balance amount would be adjusted accordingly.

Let me know if you have additional questions.

Thanks!

*Note: Please review confirmation documents for payment schedule and cancellation fees.

Hi Estelle

I will be sending the signed contract to you today but before I do, I wanted to find out how much the flights will be after I use my Am Ex points. As of my May statement I have 728,301 points on my platinum card. I should have more than that now.

Thank you for all your help

Best Regards,

Hi Ina and Bobby,
Take a look and let me know what you think.

~~Here are the four rooms. Zach is still not added here. Once you decide you like this option, we will add him. To give you an idea of cost, had he been able to stay the whole time, the cost would have been \$3147 including the air. Hard to tell how much it will be when you confirm but use this as a guide.~~

We are quoting Ocean Front Rooms. If you are looking to save a little bit of money, we can down grade any of the rooms (based on views) except Stacie's because it needs to be able to fit Zack when he comes.

Once you all review and like this, passport names will be needed so we can hold this since the air changes daily. I will be able to hold this with all the passport names. Next week is a better time to come in, tomorrow is a bad day for me.

Let me know as soon as you can!!

Lisa

Good Morning Mr. Kaplan,

I hope all is well. Thank you for your group request! I just left you a voicemail message but thought I would email you as well.

DL / 1955 16APR2022 JFK - Montego Bay Jamaica 800A - 1110A

DL / 1957 25APR2022 Montego Bay Jamaica - JFK 1210P - 502P

Note: Prices above exclude our \$39.00 per ticket fee paying with the Business Platinum Card. **We are currently waiving the fee. We can waive the per ticket fee if you authorize ticketing early, by December 15, 2021.**

Based on the above price you will need to use 70,834 points to pay in full per ticket. The 35% rebate (up to a maximum of 500,000 points per year) will apply if you have Delta Airlines designated as your airline of choice when the tickets are issued.
